**MEMORANDUM**

FR: Senator Vincent Leibell

RE: Candidate Questionnaire

Date: October 19, 2006

Please be advised that because of the large volume of questionnaires that my office receives, it is not possible to answer each one in the necessary detail.

I am very pleased however, with my voting record and support of legislation that I have been associated with during my years in the state legislature.

Thank you for your interest in my re-election campaign. I look forward to working with you in the future.
